

MEETING INVITATION

2nd Common meeting of national Big Science Industry Liaison Officers and Purchasing Advisors in connection with ITER Business Forum (IBF/19)

Following up on the first meeting of national Big Science Industry Liaison Officers and Purchasing Advisors organized in connection with the Big Science Business Forum (BSBF2018) in Copenhagen, we would like to invite you to participate in a second common meeting of ILOs aimed at:

- Updating you on the work done so far by the informal steering committee of PERIA – the Pan-European Research Infrastructure ILO Association (under development).
- Agreeing on a roadmap and framework for setting up PERIA.
- Continuing our group discussions on the themes defined at BSBF2018.
